

## Lecture IV The Open Problem of Grammar and Syntax.

A. There is a Problem of Integrity into which we must go a bit.

1. / uncertainties

a. finality of results

b. value of comparative linguistics.

c. meaning of statistics.

2/ conclusions.

a. final teaching needs more specifications in the broader sphere of theology.

B. Then there is a larger problem: Grammar & Syntax are suggestive but do not interpret.

1. We turn to hermeneutics...  
(principles mentioned earlier)

steps

2. We seek the historic past.

3. We delve into etymology and its kin.

(Special Hermeneutics)

1. The parable

2. The prediction

3. The fulfillment
