Read John 15 carefully. Think for a few minutes of the ways in which the grace of the Lord Jesus is seen in this chapter. Note especially vss 3, 9, 11, 15, 16, 19, 26.

Ask yourself..."what does it mean to abide?" "What are the forces in my life that seem to hinder abiding?" "What is the proof of my love for the Lord?" "Why will our testimony eventually be resented in the world about us?"

Review all the items we have prayed for this week and ask the Lord for them again. Prepare-- privately-- a list of things for which you have been particularly thankful...things that are growing out of your fellowship in this week. Be thankful and worship as we continue this day....
