What blessings of salvation does Paul list in 5:1-11" Look up "just" "justify", "justifier", "righteousness", and "righteous" in a concordance. How does Paul use them as the foundations of his message? There are more than 60 direct quotations from the Old Testament in Romans. Where are they? How does Paul use them? Can you think of other verses in the Old Testament that he might have used to make the same point?
