

Further Study

I CORINTHIANS by Leo Morris is a helpful commentary in the Tyndale series. I CORINTHIANS by Geoffrey B. Wilson is a revised edition of his excellent commentary. I AND II CORINTHIANS by Charles Hodge is another commentary in the Reformation tradition from The Geneva Series. F. W. Grosheide has contributed I CORINTHIANS as a more technical work in the New Testament Commentaries on the New Testament.

b. Extended notes

(1) Chapter Summaries
