6. Paul's Gospel: faithfulnesss not compromise

III. Related Points and ideas for study

A. Some great verses in Galatians:

1:4
2:20
3:28
4:6
5:22
6:14

B. Further study points:

The Peter and Paul controversy
Judgment on Judaizers
The fruit of the Spirit and the walk of those who belong
to the Lord
The care extended to the total community
Paul's use of the Old Testament

C. Conclusion:

The great challenge is to accept and stand in the liberty
in which the Lord has made us free. Watchfulness and care
are the key words.

This is an enormously practical book and the ideology calls
for a mastery on the part of every believer..well, at least
an attempted mastery..we are all somewhat amateurs at this
level.

EPHESIANS..But I think we have probably done enough for today..but, if
not perhaps a few stories will suffice so...
