the Jews:	

In consideration of these passage and the synoptic problem incumbent in them, the following must be noticed or studied:

- a. The Passover dating
  
- b. The events in the accounts
  
- c. Suggested solutions

2. The Social background:

- a. The occasion and the people..What did they expect as they met at this time?
  
- b. The ceremony (and some parts are conjectural based on later Jewish tradition of practice. The notes in Edersheim: The Life and Times of Jesus the Messiah are always good for this sort of study.
