Instructions: This is a "take it home and work it out on your own examination" and may be taken in an open book form. Please write on one side of the paper only... have your name on every page. The examination is due in my office on Monday, February 26, and no later than 5:00 PM.

1. Your interpretation of the following passages. You should indicate an understanding of the Greek text and offer an interpretation that takes into consideration all the aspects of the passage available to you.

John 13:14

John 15:22

John 17:23

2. Summarize the content of this portion as it relates to:
--the Christian's obedience
--the Christian's witness of a redeemed life
3. Discuss how the model of the Lord's praying in John 17 becomes a practical model for our own prayer life.
4. How is the "divine character" of the Lord Jesus expressed and developed in these chapters...how is His deity seen, that is.

5. And finally:

Have you read Carson _____

Remember that all course work must be in by Tuesday, Feb. 27, 5:00...in my mailbox in the office will be fine.

And thanks for your work in this course.
