

LESSON # 3: MORE WORK WITH THE GREEK VERB!

THIS LESSON INCLUDES:

- Person and Number inflection of the verb
- Finding the root of the Verb
- How tenses are formed
- Studies in tense recognition
- Further vocabulary words

YOUR NEXT ASSIGNMENT IS:

- Reading Greek for an hour (aloud) with your buddy!
- Memorizing the inflectional forms (personal endings) for the verb system
- Studying the data on pages 23-24 (in light of 18-22)
- Doing the assignment on page 25
- Memorizing the vocabulary on page 25

There is also on page 26 another paragraph of Greek for practice reading. You may go over these repeatedly...there is no harm in that. The larger reading sections are found on 8, 15, 18 and 25. More to come!

Remember that the most important part to this entire course is your weekly faithfulness to the work assigned. Put in lots of time...it will greatly repay you in coming days.
