

Identifying Person and Number on some verbs in Mark 4

And this is another good passage for general reading in your weekly drill. Of course I do not expect you to be able to sort out verbs and nouns just yet although we will come to that. But below the text I ask about particular words and I have numbered the lines so that you can find them. You need to work from the chart of endings on page 17 and I know you will know this next week...the date for which it is assigned...but right now familiarity with the printed chart will not hurt anyone.

What is the person of the verb ἤρξατο in line 1?

What is the number and voice of the verb συνάγεται in line 2?

What is the number of the verb ἦσαν in line 4

What is the person and number of the verb ἀκούετε in line 6?

What is the person of the verb ἔπεσεν in line 9?

What are the possibilities for the form ἐξηράνθη in line 12? (ἐξηράνθη)

What is the number of the verb ἀνέβησαν in line 13

There are a few endings not included in the above and a few not on the chart on page 17...mostly imperatives that we will come to in time and which I thought added to the assignment words and endings not often seen. But this is pretty basic.

Now in making harmony out of it in further detail you need some of the helpful notes on page 19.
