

LESSON # 4: FINAL THOUGHTS ON THE GREEK VERB!

THIS LESSON INCLUDES:

--Some lesser known points on the Greek verb....

Notes on Mood

The principle parts

Compound verbs

Deponent verbs

--How letters combine and produce something unexpected

--Introduction to Greek Participles and Infinitives

--Paradigm of the verb "to be"

--Added vocabulary

and it seems to me there is something else but I
cannot think of it just now.

YOUR NEXT ASSIGNMENT IS:

--Reading an hour with your "buddy".

--Reviewing alphabet, inflection endings...

--Learning the Imperative inflection additions...

--Reading carefully the material in this syllabus...

--Doing the simple assigned work on page 36 .

--Learning the new vocabulary...

and just keeping up on things in general. Remember
that we are studying for recognition and understanding.
The ability to use these notes (and that which will
come later) is as important as the material in the
course.
