

turn out...probably no answer can fully undertake to establish that...but...

Jack McCullough has had a career in church planting and the military chaplaincy.

Dave Lipke has directed a Christian youth work out of Pittsburgh for a long time now.

Boyd Personnet is a teaching pastor/elder in the nearby Reformed Baptist Church in Franconia.

Carl Martin pastors the Bible Fellowship Church in Spring City...and we are trying to keep Fred Bell with us as long as possible! No doubt these jobs in the Seminary life did them all a lot of good!

the Weakly remembers....

THE OLD DAYS OF ACADEMIA

We have had a little cold snap lately and it has put a lot of our personnel on the edgy side. But at the office of the Weakly we remember when winter was winter ..the cold came sooner and lasted longer

When the Editor was a student it was not uncommon to find a student with his hand frozen to his pencil as he tried to take notes in Dr. MacRae's classes. The action of writing kept his arm alive but his fingers turned to marble under the cold and the pressure. The Seminary did not believe in overheating the place, in those days, and actually leased two class rooms for cold storage during the winter months. All the stored stuff was put on one side and the students did their work on the other. We all wore great coats so that the heat of our bodies would not lower the temperature of the room but the thickness we had to wear to do this made movement almost impossible. After each class we
