

- (3) Note the structure and content of vss 7-9 and the forceful content:

--six titles of the Word

--six attributes of the Word

--six effects of the Word

I will likely mention it later but you will readily see the superiority of the Word as a revealer of God and His will.

- (4) And note the simple relating of the deity as the psalm begins with God the Creator and ends with God the Redeemer!

c. Historical Background

d. Interpretation analysis...Noticing briefly something of each of the following:

- (1) the attributes of God..a major attribute is emphasized in each stanza

- (2) the character of revelation *general*
specific

- (3) the response factor of the worshipper

e. Significant questions:

- (1) What is the message of creation?
 (2) What is the message of the Word?
 (3) What is the relationship between the creative work and the word?
 (4) How do these things affect our lives?
 (5) What do we learn in the psalm about God?
 (6) What do we learn about accountability?

2 Peter 1:19-21

*progressive
superior*
