

- (7) What is the overall impact of the psalm?

4. Psalm 104

a. Subject: The God of Creation

b. Literary notes:

(1) Stanza development

1-9...the work of creation is in view and especially as it tells of God and gives witness to the reality of His control.

10-30...the work of providence is in view and I see this stanza as having two segments built on the common providence theme:

10-23...God as provider

24-30...God as resource

31-36...the giving of praise

- (2) Reading the psalm (a break in the regularity of previous work)

1-9...facts!

10-13...water

14- ..food

15- ..refreshment

16-18.shelter

19-23.times and seasons

24-30.dependence

31-36.praise
