

c. Observations:

- (1) The point of the Psalm...a study in seeing the practicality in this sort of literature.
- (2) Natural revelation: plus and minus
- (3) The Services of Providence.

This is a beautiful psalm but much of its beauty is found in the reality of its pragmatic usage.

5. Psalm 148

We cannot look at it in detail but we can note the close relationship seen in the psalm between the actuality of creation and the necessity of praise. In this regard we can see something of the:

Who

Why

When

synthesis.

6. Psalm 50..a different twist from a nature psalm
