Just a quick thought and note

3. The Praise psalms

- a. This is a very important segment of the Psalter and a little less sharply defined than some of the other groups (!). Hebrew is rich in "praise" terms as noted in c-1 below.
- b. The list of praise psalms is not exhaustive but the following are the major ones in this concentration:

57, 67, 92
95, 96, 97, 98, 99
100
108, 118
146, 147, 148, 149, 150
