

Colossians -5

Week 7...May ¹/₁₈.....Colossians 4:7-18 completed. Summary of the study. Value of Colossians today. Assignment 3 completed this date.

This rather unusual arrangement is due to the schedule of T.V. Taylor, teaching the course in 1995. It is subject to change because at the time of this typing...a lot of things are not in final position. But this is the way it looks right now and if that changes you, the student, will be the first person to know.

B. Assignments

There are two categories of assignments..those for the term and the weekly assignments due week by week. There is also a slight variation for Greek and non-Greek students.

1. Term assignments:

- a. All Students: Read the book of Colossians once every week through the quarter.
- b. Greek students: Carefully translate the book of Colossians
- c. English students: Read one commentary on the book of Colossians and offer a written critical review of same..no more than two pages..typed..double space.
- d. All Students: Write a term paper of not more than ten pages dealing with a passage or a theme in the Colossian letter.

In the foregoing, "b" and "c" constitute Assignment # 2 and are due completed May 4th

Item "d" is actually Assignment # 3 and is due on May 18th

The final examination will include a question with regard to the readings.

2. Weekly Assignments: These are due week by week in agreement with our schedule.

- a. Assignment # 1..due March 23
