

D. Particular Exegesis in the Song of Solomon

As in Ecclesiastes I merely mention the segments on this page and we will try to do some of the work in class.

1. The Song of Contentment...chapter 2

2. The Song of remorse...chapter 5

3. The Song of delight...chapter 7

Throughour the entire Song the speech figures will call for our special study and observation. Note that a literal interpretation does not mean that every speech figure is a literal expression...that amounts to letterism and this is not our hermeneutical foundation.

E. Student Reports: You will want to add to your syllabus, at this point, the more technical reports of the students as given in this course.

F. Use of the Song in our Day
