

1:8 יִגְעַת The root is גַּעַ

How are the infinitives used in this verse. List them with their proper usage clearly stated.

1:9

1:9 אֵין Remember the אֵין denies the meaning of the existence of the word described (reality of existence).

1:10 כְּכֵן adverb: "already" "now"...Note the potential confusion on this term.

1:13 שָׁרַח // שָׁרַח Distinguish the shades of meaning of these terms.

1:15 מִמָּוֶה is from מוּהַ

1:16 עַל-יְרוּשָׁם what is significant about the use of the preposition?

1:17 Watch הִלָּחַץ . Note the footnote on pointing. Note its relationship to הִלָּץ . Check the varying meanings of הִלָּץ while you are at it. How do you suppose lexicographers come to these distinctions.

Beware שִׁבְלֵת . The form is from שָׁבַל not שָׁבַל . You can imagine the grief caused by these sybillants.
