

Jesus: the source of life: The promise of overcoming death: the promise of resurrection.
Hebrews 2:14-18, John 10:11-18, John 2:19

1. The long struggle and the last enemy.
- human attempts to overcome
 - in the pagan world
 - in our modern society
 - the basic facts...
 - it is appointed
 - but after this....
 - and in another sphere Jn 5:28-29
- God is a remarkably hopeful world, etc.

Job & Psalms

(32) Jesus = the Promise of resurrection.
- a small (maybe) but important distinction: resurrection & eternal life

2. God is the source of life = light
- Creator: general, specific
 - Sustainer: John 1

in summary: sin ~~produces~~ results in death and loss of life. We are powerless in this war. But we have One who will take our place in judgment and die in our behalf. The Lord Jesus Christ. Why did He have to die? That our debt might be paid, and to prove the efficacy of His release from the dead to show it (death) had been conquered.
