The work of Solomon

I. Some introductory material about our study:

A. Some details

- the book
- the author
- the essential message
- the practical application

B. The Hints as listed in our discussions

1. Beware of the kitchens, the garage, the den, The hint
Don't let things dominate your life! (1-2)
2. Discipline your time to achieve your objects (3-4)
3. Enjoy the blessings of home and seek to produce
Them. (5-6)
4. Cultivate wisdom in your relationships withn
Others (7-8)
5. Take advantage of what God has given...use it
To the fill (9-10)
6. Invest yourself in others and accept the Word of
The Lord for your orders. (11-12)

II. Marching On!

A Ecclesiastes 1-2...Beware the kitchen, the garage, the den,
the "rec" room, the study, etc. The lesson is that you
should not allow things to dominate your life

1. Chapter 1:1-11 says ordinary life is predictive and
then vss 12-18 show note the difficulty of having
enough knowledge to handle things. Your things
