

## d. The interaction of personality:

- (1) Suffers rejection and grief...Isa. 63:10, Eph. 4
- (2) Treated with despite...Heb. 10:29
- (3) Suffers from untruth...Acts. 5:3
- (4) Blasphemed....Matt. 12:3, 32
- (5) Enjoys practice of fellowship...2 Cor. 13:14

This may seem unnecessary in our circles but it is important that we think of the Spirit of God as "personality" and not "thing". This is more important than we can stress both for ourselves and for those with whom we have to do. Might add that every standard work of theology will offer notes similar to these...but unless one studies them and boils them out in living relationships, they are likely to be just words.

## 2. The Divine nature of the personality of the Holy Spirit.

## a. The assignment of Divine attributes:

- (1) eternity: Heb. 9:14
- (2) Omnipresence: Ps. 139:7-10
- (3) Omnipotence: Luke 1:35 (!)
- (4) Omniscience: 1 Cor. 2:11, ( 10).

## b. The relation of divine works:

- (1) creation and sustenance...Job. 33:4, Ps. 104:30
- (2) Giving of life...John 6:63, Rom. 8:11
- (3) Granting of prophetic foreknowledge: 11 Peter 1:21, etc.

These are works which we presume only the divine mind can accomplish with certainty.

## c. The correlation with Deity:

- (1) Comparative statements of Jehovah in the OT and the Holy Spirit in the NT.

Isaiah 6:8-10; Acts 28:25-27  
Ex. 16:7, Heb. 3:7-9

- (2) Identification with the Father and the Son

1 Cor. 12:4-6; Matt. 28; 2 Cor. 13:14

- (3) Equation with God:

Acts 5:3-4.
