

4. Updating the demon matters...as in the Exorcist, etc.

D. Satan Worship...

1. It is a logical course...you will remember the "unholy" trinity of the book of Revelation.
2. But it is often not a personal worship...a worship of a person...but of an ideal.
3. And it is marked with an intense self-will which, if you think about it, will help you understand something of the origin and meaning.

E. In the face of these rivals, we are reminded:

1. We are given an objective guide book
2. We are given a subjective guiding person
3. We are told to seek no other sources.

VII. Conclusion to the Study.

- A. The Deliverance of the Cross..
- B. The Deliverance of the Spirit
- C. The Happiness of the person who understands both aspects of deliverance and neither ignores nor confuses them. He is, in this area, at least, a "whole man".
