

2. Consequently our place in the prophetic picture
3. Christian duty in the nation:
 - live as becomes the Lord
 - preach the Gospel
 - reaffirm righteousness in all possible ways....

VI. CONCLUSION

This has been a series of studies in prophecy but not an encyclopaedic study and not even a very comprehensive one...but what we have done we have done. We have seen what it is and means, how it is a record of truth, what is needed to understand it, what it broadly tells of the end of the age, and how our church and nation fit into the prophetic scheme. More information is deserved for all of these areas...but this is as far as it goes at this time.

Remember that the burden of the prophetic Scripture is to acquaint us with the ways of God and to encourage us to walk in those paths so that we as a holy people might glorify a holy god.
