

a. The development of the Industrial Age (early 19th century).

b. The Slavery Question

- (1) morals determination
- (2) economic determination
- (3) the absolute abolitionist position
- (4) the Oberlin posture
- (5) the tide of world affairs and opinion
- (6) affect on the churches
- (7) the aftermath

c. The immigration problem or matter or whatever

- (1) Ethnic and religious sensitivities
- (2) Areas of settlement and population change
- (3) Phases:

(a) 19th century

- /1/ Anabaptist migration
- /2/ Romanist migration
- /3/ Orthodox migration
- /4/ Oriental migration
- /5/ Protestant migration

(b) 20th century

- /1/ Southern Europe Migration
- /2/ Eastern Europe Migration
- /3/ Oriental Migration

General Note: The immigration moves probably hurt the resident church as much as helped it...I will try to explain.
