Assigned paper due this date.

NOTE: All readings are to be completed on the day assigned. This is pretty important. You can read them in advance, if you wish..that is, well in advance. But you should be aware of content and significance on the day indicated.

3. And a paper...

Each student will prepare a paper of ten to twelve pages of double spaced print with appropriate biography..the particular title will be up to you but the nature of the paper will be an analysis of three problems or situations that you see in the church of today and what might be learned from the study of church history in offering resolutions to these things. Due on the last class meeting of December..but may be submitted earlier, if you wish.

And that, I think, is the bulk of the work for this semester..and the big trial of staying awake in class!
