6. The fullness of Time

B. The Church of the early Ante-Nicene Period

1. Particulars of the body
 - a. Beginning: the church, as a body politic, began at Pentecost. We are not speaking about when the first person was saved but about when the body politic appears on the scene of time.
 - b. Development:

a rather brief summary of what we know and don't know about the ecclesiastical development from..

Pentecost to 100 AD

and from 100 AD to 150 AD.
