

-Section I: Significant identifications

Following is a list of twenty items important in understanding the events in our study. They are listed with letters of the alphabet. Below this are statements requiring the selection of one of these items for completion. Select the letter of the correct item and write it in the appropriate space on the answer sheet. I have done the first of these as an example for you. It is possible for an item to be used more than once..or not used at all!

- | | |
|----------------------------|---------------------------|
| A. Edict of Nantes | K. De Fidei Catholica |

| J. Imitation of Christ | T. Fountain of Knowledge |

1. Dialectical theology at its finest by Abelard.
2. An attempt to solve the monophysite issue by decree.
3. Proved by Laurentius Valla to be a false work.
4. Supposedly establishing the Roman faith as that of the Empire.
5. The major literary work of Jerome.
6. Condemned at the fifth ecumenical council
7. The basic theological statement for the vicarious atonement.
8. Supposedly a statement of apostolic belief.
9. The major pronouncement of Gregory VII
10. The great work of the first "scientific" apologist.
11. Produced by the so-called "father" of scholasticism
12. Among other things..defining the seven sacraments.
13. Associated in literature with the secretary of the Nicene Council
14. Decisive document at the second council of Nicaea
15. The great textual work of Origin.
16. Bogus attempt to establish papal authority through the works of a Spanish ecclesiastic
17. A pronouncement intended to stop the monothelite debate.
18. Pronouncing that the bishop of Rome is superior to all secular authorities and accountable to none.
19. The legalization of Christianity
20. The personal spiritual history of Augustine.

These are some of the items that molded the church in the period of our study. The significance in knowing them is that they give you a framework for understanding the trends and ideals that worked in the Christian community. This helps to provide the background details for allowing history to be a useful tool in meeting the challenges that come to us today.
