Lesson # 10

Deuteronomy 4:1-13

A COVENANT REMINDER

I. Introduction

Thank you for joining us today in our ongoing studies in Deuteronomy. We move today to chapter 4 as we follow Moses review of Israel's wilderness history. A fuller narration of that history is the book of Numbers, of course, and Moses is now simply emphasizing some key points that will serve to guide the nation in the conquest of Canaan. Having noticed the physical journey, Moses now moves to review the covenantal history--the giving of the law of God and the establishing of the nation in a political and ethical sense. Since the great advantage Israel has is her god, this becomes a very important step. Without the covenant and the promises, she is a bankrupt people but with them--she is indeed the people of God--a people of destiny and a blessing for the whole world. These verses, 4:1-13, call Israel to remember the covenant in this way:

4:1-2....honor what God has given
4:3-8....understand the spiritual heritage
4:9-13...remember the origin of your covenant
