There are a lot of interesting things in this section. See how the magicians in Egypt are dealt with, follow their history. Note as well how the plagues are begun and how they affect Israel and Egypt.

5. Some lessons in passing:

We quickly glean the following without much effort!

- a. God is greater than the magicians...any occult force that can be mustered.
- b. God is greater than the gods of Egypt or any land that lifts itself against Him/
- c. God is master of the universe and all its forces
- d. God remembers and deals well with blessing for those who are His and who will trust Him.
