מִן־הָאָרֶץ	לֶחֶם	הַמְבִיא

Learn the Hebrew alphabet..to say it, write it, consonant and vowels.

Practice pronouncing the Hebrew on page 9..go through it at least three times.

Attempt to read the Hebrew on page 11...I know it is not easy..but see what you can do.

Be sure to read aloud...the anguish will give you courage to go on.

Memorize the vocabulary given above.

And just enjoy yourself...think of this as one of the great euphoric experiences of all time and perhaps your soul will be lifted up...but I am getting carried away with myself!
