

8. Vocabulary:

Add these words to what you already know and review for the facility of knowing Hebrew better and bringing more pleasure to your teacher!

רַב	--much	לֵבַד	--lest
יֵשׁ	--there is (impersonal verb)	בְּתוֹכָם	--midst
		שִׁבַּח	--he praised
		מְאֹד	--very, much

AND THE NEXT ASSIGNMENT IS:

Review and complete the study of the vocabulary

Review and make sure you know the verb affixes

Review and make sure you know the noun affixes

Study the text supplied on page 60.

For each line (as numbered) identify the words as to whether they are nouns, verbs, particles, etc. If they are nouns or verbs identify the appropriately. (Verbs: person, number, gender, tense; Nouns: number, gender, case)

If you should see an infinitive or a participle, simply acknowledge that it is that. You may use the space below the Hebrew for writing this work...and you had best write it.

So, keep a stiff upper lip...we are nearing the completion of the course.
