

2. Some examples

a.

pronom. sff "us"
 verbal sff "they"
 hiphil stem vowel
 preformative
 lengthened vowel
 stem Hiphil root נוט
 word: וָנוּתְנוּ pe yodh

b.

cohortative he
 preformative
 lengthened vowel*
 stem Qal root יהו
 word: הִנְיָהוּ pe yodh...

*normally you expect.--but remember the vowel classes.

הִנְיָהוּ

c.

sufformative
 helping vowel
 significant dagesh
 stem Qal root אין
 word: אָיִן ayin-ayin

Remember as with b above.--vowel changes in usage are not always by the book. You must remain somewhat flexible in this area but do not need to be wildly vascillating.
