

3. Relativization
4. Harmonization
5. Dissolution

(Most IBRI people will realize that I have used these terms to keep them in the room for the entire talk.)

IV. After Fundamentalism

- A. Fundamentalism: What it is and a note on its future
- B. The Path of Ramm...or at least as it seems : *Agony I*
- C. The Path of Scriptural Orthodoxy *heronov. 1*

V. Some suggested Lessons

- A. Do avoid the "ostrich cycle"
- B. Try not to let unfavorable conditioning warp your views
- C. Develop a true and honest critical spirit...try to keep it positive
- D. Adhere to the absolutes...taking care in what you identify as such... and allow essential considerations to be directive
- E. And guard against self-justification...a life-style that leads one from one pitfall to another.
