

## e. The Walk of the King's Subjects 7:1-27

- (1) Relations with others 7:1-5
- (2) Use of Gift 7:6
- (3) Application of social justice  
7:7-12
- (4) Proper witness 7:15-19
- (5) Spiritual occupation 7:21-23

Note how vs 13-14 and 24-27 constitute two warnings that divide this material into logical divisions.

## f. Summary of some of the Sermonic teaching:

--prayer, material goods, attitude to others

## 5. Excursus: Life Principles

## a. Note the application given the Sermon by widely divergent groups:

- (1) liberal or modern scholars
- (2) some conservative and/or dispensational groups

## b. Note that merely observing the life principles does not amount to salvation.

## c. Note that there is no area of life that is not touched by the immediate teaching of the Lord.

## d. And we will probably offer a few thoughts on how further life principles are properly adduced.

## 6. In Conclusion: It is a very interesting and direct segment..personal to a fault but built in the direction of the Lord's people showing the reality of the Lord.
