

- (4) Tests of fidelity
 - (5) The Balaam incident
 - (6) Land arrangements
 - (7) Note the deaths of Miriam/Aaron
- e. Particular features:
- (1) Assignment of Levitical duties, special oaths and tests
 - (2) The use of the trumpets
 - (3) Typology: the serpent (brazen) in the wilderness
 - (4) The assessment of the wandering years
 - (5) Establishment of inheritance: the daughters of Zelophehad
 - (6) The passing of the generation
- f. Numbers is an adventurous book demonstrating God's care for His people in spite of their declensions and failures. It is a book of lessons and spiritual symbols and forms the background for the warnings of 1 Corinthians 10 along with the Exodus trials.

5. Deuteronomy

- a. Theme: The love of God for His people
(This love is expressed by covenant and this part of the reason for the name... "second law.")
- b. Outline:
- I. Historic discourse 1-4
 - II. Legal discourses 5-29
 - III. Prophetic discourses 30-34
(and many sub-points)
- c. Author: Moses
(34 is thought to be an addition by another hand, possibly that of Joshua)
