

Only verses with actual comments are included in the following pages. Any verse where there is no special note should be read in the translation section which proceeds this part of the work.

No Bibliography has been prepared for this paper although several books have been consulted. The following list, although improperly prepared indicates which books have been consulted on each section.

Grammar:

- Dana and Mantey: A Manual Grammar of the Greek New Testament
 Machen: A Beginners Grammar of the Greek New Testament
 Robertson: A Shorter Grammar of New Testament Greek

In addition to these the work by Burton, Moods and Tenses in the Greek New Testament, was occasionally used.

Commentaries:

- Barnes: Notes on Philemon
 Ellicott: Section on Philemon from whole Bible Commentary
 Lange: Section on Philemon from whole Bible Commentary.

The Greek New Testament of Alford was used with these. Historical data was largely gleaned from these books and from the International Standard Biblical Encyclopaedia.
