

## II. Outline Points for the Message

- A. Know the Reality of Cleansing 3:1-5 (Note that God does it and does it in defiance of the adversary. The high priest is seen fully cleansed and accepted.)
- B. Accept the Divine Appointment Zc. 3:6-7 (God had cleansed him for a purpose--the redeemed always have purpose in their redemption: the glory and enjoyment of God.)
- C. Live in the light of the Promised Messiah Zc. 3:8-9 (One day God will complete all of this work....in the meantime, do His will)

III. Conclusion: These are all works of grace. We could neither have demanded nor expected them. God has acted graciously. As we receive and recognize these gracious acts for ourselves we are motivated to love and honor the Lord. Who would not be willing to do the service of such a wonderful Master?

### I. Synopsis of the Message
