

4. Concepts of law and sacrifice

Sacrifice was needed under the law for the release of sins...this sacrificial work of Christ ended (or completed) all that was needed for the full dealing with sins (and sin) of mankind. The law is fulfilled in Christ. He is the end of the law for righteousness to everyone who believes (Romans 10:4) and in Him we have fully kept the law and are declared to be right by God Himself. (Romans 3)
